Dear Hiring Manager,

With over **21 years of experience** in architecture, construction project management, and regulatory compliance across the UAE and Sudan, I am seeking a senior leadership role where I can deliver immediate value. Holding a **BSc in Architecture, Certified BIM Manager**, and five PMI certifications (PMP, RMP, SP, PMOCP), and having spent **17 years in Abu Dhabi** — including **10 years at DMT** — I bring a rare combination of creative design vision, deep regulatory mastery, and rigorous project delivery discipline.

WHAT I BRING TO YOUR ORGANISATION

21+ Yrs Experience Architecture, PMC & regulatory review across UAE & Gulf	6 PMI + BIM Certs PMP, RMP, SP, PMOCP, BIM Manager — continuously updated	10 Yrs DMT Abu Dhabi ADIBC, Estidama, Civil Defense & occupation certificate expert
--	---	---

At DMT, I serve as a **practicing licensed engineer** specialising in **regulatory review and handover inspection** of all proposed building designs, managing the full occupation certificate process for:

Residential • Educational • Institutional • Mosques • Hospitals • Hotels Administrative • Assembly • Business • Industrial Storage • Wholesale Establishments • Services Units
Key Roles: Regulatory Review Handover & Occupation Inspection Authority Liaison Design Compliance ADIBC / Estidama / Civil Defense

I evaluate every design against the full Abu Dhabi framework: **ADIBC**, Capital Development Code, **ADIAS**, Architectural Facade Design Manual, **Estidama** sustainability, and **Civil Defense** fire-safety regulations.

Prior to DMT, as **Site Architect at Dar Alhandash** I led PMC supervision of the Ruwais Housing Complex Phase IV, covering QA/QC, snagging, and final handover. Across earlier Resident Engineer roles I managed on-site representation, contract administration, financial oversight, and safety compliance for mixed-use developments in Abu Dhabi and Sudan. I am fully proficient in **Revit / BIM 360 / ACC, Primavera P6**, and **PMI-RMP** risk frameworks.

WHY THIS ROLE, WHY NOW

I am seeking a senior leadership position where I can apply my complete skillset — architectural design, regulatory compliance, BIM coordination, project controls, and team mentorship — within an organisation delivering landmark projects across the UAE and Gulf. I bring the unique advantage of **seeing projects from both sides of the authority table**: as a DMT regulatory reviewer and as a hands-on project delivery professional.

I am available for interview at your earliest convenience and can be reached at **+971 55 397 0307** or **aymanelhadi10@gmail.com**.

Yours sincerely,
